

Example Of Standard Commission Structure

Businesses Using FSD Services Mthly	Combined Total Monthly Advertising Spend	Potential Monthly Commissions	Potential Yearly Commissions
10	\$3,500	\$630	\$7,560
10	\$5,000	\$900	\$10,800
10	\$10,000	\$1,800	\$21,600
10	\$25,000	\$4,500	\$54,000
10	\$50,000	\$9,000	\$108,000
10	\$100,000	\$18,000	\$216,000
10	\$500,000	\$90,000	\$1,080,000

Note: The number of businesses using the FSD services will vary from month to month as will the combined monthly Advertising spend from those businesses. There is no limit to the number of businesses you can introduce. This example is based on 10 businesses spending an average of \$350.00 per month. Currently we already have businesses independently spending thousands of dollars each month which means the commission shown could result from less than 10 companies

Monthly High Achiever Bonus

(paid over & above standard commissions) Min 15 Companies per Month

Monthly Businesses Using Our Services	Combined Total Monthly Advertising Spend	Monthly Bonus Commissions	Yearly Bonus Commissions
Minimum 15	\$5,000	\$112.5	\$1,350
any amount above 15	\$15,000	\$337.5	\$4,050

Note: 15 active businesses in a month is the minimum number of businesses that an agent needs to have introduced and are actually using our services to qualify for the Monthly High Achiever Bonus that month. Example: if 15 or more businesses are actively using the FSD services in the month of May then the Agent would be entitled to the extra bonus for the month of May. If there was only 14 active businesses then no bonus is payable. The combined total monthly advertising spend by businesses can be any amount and \$5,000.00 shown was only used as an example to explain the calculation of the bonus

Monthly FSD Direct High Achiever Bonus

(paid over & above standard commissions) Min 15 Companies per Month

Monthly Businesses Using Our Services	Combined Total Monthly Advertising Spend	Monthly Bonus Commissions	Yearly Bonus Commissions
any number	\$200,000	\$4,500.0	\$54,000
any number	\$500,000	\$11,250.0	\$135,000

Note: This commission is only payable to those Agents who meet the Monthly High Achiever, Active Businesses quota of 15 companies in the month of calculating the bonus. FSD will pay a bonus of 10% of any revenue collected (see example below) that is generated from revenue not related to agents. Example: If there are a total 200 Agents Australia wide and FSD collects say \$500,000 dollars in the month unrelated to an Agents then the bonus is calculated as follows; \$500,000 generated less \$50,000 leaving a balance of \$450,000 x 10% (\$45,000) as the bonus divided by the 200 Agents being equivalent to \$225.00 each. This only payable to agents who qualify
